From Homelessness to Independence *Tour SVdP's transitional shelter*

Witness the miracles that take place at St. Vincent de Paul's Ozanam Manor with a tour of our transitional shelter. As the only Arizona shelter of its kind, Ozanam Manor is an essential program for two of our most vulnerable homeless populations - people age 50 and above and those who are disabled. Ozanam assists these two groups in regaining their independence with training and support from a professional staff. See for yourself with a tour of Ozanam during our Open House on Saturday, April 14th from 10:30 a.m. to Noon. Guests will meet some of the residents and find out what it takes to help someone start a new life. Ozanam Manor is located at 1730 E. Monroe Street in Phoenix. Lunch will be served at Noon. Please RSVP at 602-495-3050.
