

# SPEND SOME QUALITY TIME WITH US.

**The benefits are many. The payoff is even greater.**

St. Vincent de Paul is looking for volunteers to help us with our Thrift Stores. Your help allows us to provide more services to those in need.

Volunteering is also a great way to meet new people, brush up on your job skills and get work experience. And research shows that volunteers actually live longer!

If you are interested and able to make an ongoing volunteer commitment, please contact the store manager listed below or send an email to [thriftstores@svdp-phx-az.org](mailto:thriftstores@svdp-phx-az.org).
