Achieving our goals through the service of many.

We continue to deliver our services in a cost-effective manner. We are helped in doing this through the 740,000 hours given to the Society of St. Vincent de Paul by our more than 16,000 volunteers who willingly share their time and gifts in service to others. As a result of their dedication, we are able to invest more than 90 cents out of every dollar into our programs and services.

Help us continue to serve those in need through your Charitable Tax Credit contributions.

SOCIETY of ST. VINCENT de PAUL
ARIZONA CHARITABLE TAX CREDIT

faith, hope, love

For helping the poor you deserve some credit, including some tax credit.

When you donate to the Society of St. Vincent de Paul, the **ARIZONA CHARITABLE TAX CREDIT** allows you to receive a dollar-for-dollar tax credit if you itemize your deductions on your Arizona state income tax return. You can receive a tax credit of up to \$400 when filing a joint tax return, or up to \$200 when filing a single tax return. Besides the tax credit, you'll receive the added satisfaction of knowing your money is going to help the working poor.

What does this mean?

It costs you nothing to donate to the good work of St. Vincent de Paul! A tax credit reduces your final tax liability. It comes right off the top of your state tax bill, reducing the amount of money you will pay. So although your charitable contributions increase, your tax liability is decreased by the same amount—up to \$400.

There is a simple form (AZ Form 321) that you must complete and include with your state tax filing in order to receive that tax credit. This form is available online at www.azdor.gov.

The **ARIZONA CHARITABLE TAX CREDIT** does not affect the tax credit available for private school tuition and public school extra-curricular activities.

How does St. Vincent de Paul help the working poor?

The Society of St. Vincent de Paul has been reaching out to the working poor through a broad array of services since 1946.

General Assistance

With a network of over 16,000 community volunteers, the Society provides food, rent and utility assistance, as well as other basic items to low-income individuals and families in central and northern Arizona. Last year, more than \$27 million in programs and services were provided to people in need. These programs are often a last defense against homelessness for families trying to make ends meet.

Medical and Dental Clinic

The St. Vincent de Paul Virginia G. Piper Medical & Dental Clinic provides care to working poor, uninsured adults and their children. Services include primary and specialty medical care; education and prevention programs; and dental care. There were more than 13,000 patient visits to the clinic last year.

Food and Meal Programs

To help feed the hungry, St. Vincent de Paul provides about 3,500 meals per day in its five charity dining rooms and other Valley locations. Last year, more than one million meals were served to homeless and working poor men, women and children.

To support the vital work of alleviating hunger in Arizona, the St. Vincent de Paul Food Reclamation Center collects food items donated by grocery stores and community food drives.

Last year, about 10 million pounds of donated food was processed through our center. This food was assembled into emergency food boxes and distributed to low-income families and individuals or served at the Society's charity dining rooms and other area nonprofits.

Thrift Stores

St. Vincent de Paul operates 17 thrift stores in central and northern Arizona. New and gently-used clothing, furniture and household items can be purchased at affordable prices by the working poor and the general public. For many, direct assistance is provided at no cost.
