High School Students “Heart Drive”

PHOENIX, AZ – Sixteen students from the Career Success High School in Glendale spent the morning of March 7 volunteering at the Society of St. Vincent de Paul. They scheduled a “working field trip” after learning about the Society and wanting to help. In addition to volunteering, the students, all members of the Introduction to Careers class conducted a “Heart Drive” during the month of February. The students collected clothes, shoes, toys, blankets and non-perishable canned food that they donated to the Society of St. Vincent de Paul.

“This was such a rewarding experience,” said Kristyn Santifer, a teacher who accompanied the students, “they are really excited about helping out.”
