Bashas' lends a helping hand

Valley managers and directors spend the day at SVdP

Bashas' managers and directors arrived at the Henry Unger Dining Room in downtown Phoenix on Nov. 14 with more than 35 hams in-hand and stayed the entire day to help with a number of service projects. The Henry Unger Dining Room occasionally opens its conference space for Valley businesses that want to build volunteering into their regular meetings. The group served lunch in the downtown dining room and sorted donations at SVdP's main facility on Watkins Road in Phoenix. The 35 hams donated by Bashas' will feed nearly 1,200 people.
