Apache Junction store celebrates 20 years of service to the Valley's needy

Visit St. Vincent de Paul's thrift store for storewide sales Aug. 20-25

APACHE JUNCTION, Ariz. – The Society's Apache Junction store will celebrate 20 years of service to the community with sales throughout next week. From Monday, Aug. 20 to Friday, Aug. 24 everything in the store will be 20 percent off. On Saturday, Aug. 25 clothing, furniture and all other household items will be 50 percent off as part of our monthly Saturday sale.

For 20 years, St. Vincent de Paul's Apache Junction Thrift Store has provided low-cost goods to people in need. Families with the most serious need are referred to the store by SVdP volunteers and receive household items free of charge, while families struggling from month to month can find clothing, backpacks and supplies for their children without breaking the budget. In addition, proceeds from the store fund SVdP's programs and services.
