

## Listing of Household Goods We Are Unable to Accept

Please review this list of household goods that St. Vincent de Paul is unable to accept. Trust us, you don't want to schedule our truck only to leave your household donations on the curb! We provide outside pickups (i.e., curb, driveway, open garage) and do not enter homes or buildings.

Please feel free to call us with questions: (602) 254-3338 option 2.

Thank you for your interest in donating to St. Vincent de Paul of Arizona!
