Phoenix Dining Room Manager, Oliver Moore, joined St. Vincent de Paul in 1998.

## DEAR FRIENDS OF ST. VINCENT DE PAUL,

Whether 2015 was a year of challenges for you on the most basic level or you have never in your life wanted for food, clothing, a warm bed or attentive doctor, for us the philosophical and practical focus is the same. To be served or to serve, to be waited on or to wait on—at St. Vincent de Paul we are dedicated to fostering a community in which we all look out for each other, in which we have faith in each other, as members of one family.

As you will see in the coming pages, in what we are calling the *View of the Possible*, we had a successful year. Not beyond our own high standards, but certainly beyond the bravest hopes of many of our neighbors who are in need. Our Vincentian volunteers continue to perform their miracles of personal compassion. Together with our committed staff and generous supporters they embrace our most vulnerable citizens in love and protection, enriching their own lives while doing so.

So what are our plans for tomorrow? How will we achieve them? Now *that* is where we need your help, as our supporters, on three different levels.

**First**, with your money and time: There is no substitute for these basic building blocks. Our Society is greatly blessed to be a place where communities come together to help us help others.

**Second**, with your influence: We ask each of you to be a St. Vincent de Paul ambassador to raise awareness of our mission and the scope of our services and accomplishments. Tell people who know our name what it stands for: **FEED, CLOTHE, HOUSE, HEAL** is a good start. Inform and enlighten where you can and we believe inspiration will shine through—to the benefit of those whom we are privileged to serve at St. Vincent de Paul.

**Finally**, with your prayers and the impact of your spirit: We ask that you keep St. Vincent de Paul and those we serve in your prayers. Give graciously at all times, even when it is not directly connected with St. Vincent de Paul. Generously accept gifts as well, bestowing dignity on the giver. This raises the tide of goodness and fellowship for all of us.

Thank you for your continued belief in us. We consider this to be a sacred trust, one we strive to honor fully every day. May God abundantly bless you and those you love in the year ahead.

**Frank Barrios**, Board President  
**Stephen Zabilski**, Executive Director

## Enhancing Our Recipe for 2016

Every year, we hear staggering statistics on the number of children and families who go hungry in the United States. Arizona ranks as one of the highest in child hunger. Last year, St. Vincent de Paul provided 10 million meals to struggling families in central and northern Arizona in our dining rooms and through emergency food boxes. We are proud of our efficiency and the number of people we are able to serve, but we are more proud that each of those we served was not treated as another

# FEED.

number. All of our emergency food boxes are delivered by volunteers who listen and offer prayer, friendship and encouragement. Our dining rooms are more than plates of hot, nourishing food. They are safe havens where those in need can check their burdens and worries at the door to come to the dinner table. In an effort to enhance the nutritional value of our meals and increase our capacity to serve, we've created a new urban farming program to grow fresh vegetables to support our central kitchen. Last year, 40,000 pounds of fresh produce was harvested from this urban farm.

Every guest is greeted with a warm smile and a hot meal at the Phoenix Dining Room.

## Fashion Prediction for 2016: More Dignity

Clothing is about dignity and respect. Last year, about 20,000 homeless individuals visited our main campus for showers, clean clothes, food and other services to get back on their feet. Our thrift stores gave more than \$500,000 worth of clothing and essential items to families in need. In addition to generating funding for services, our thrift stores act as distribution points for families that lack basic items like clothing and beds

# CLOTHE.

for their children. Next year, we hope to enhance our thrift store operations so that we are able to serve more families. No child should have to sleep on the floor and parents should not have to choose between clothing their children or paying rent and putting food on the table.

Surprises are in style at our Sunnyslope thrift store.

## “I’m Home!” 2016’s Clarion Call

Many working poor families make choices between putting food on the table, buying medication, or paying rent. For families that live paycheck to paycheck, it only takes an unexpected medical bill or a car breaking down to put them behind. Last year, we provided more than \$17 million in direct aid through our Conferences of Charity to help families with rent, utility payments and other assistance. Not only is homelessness emotionally taxing for families, it is an even greater challenge for families and individuals to get back on track once they become homeless. We do all that is within our power to prevent homelessness through direct aid, counseling and referrals. We also aim to break the cycle of chronic homelessness

# HOUSE.

through our shelter. Ozanam Manor is our bridge shelter for an especially vulnerable group of adults experiencing homelessness: those over age 50 or with disabilities. In addition to Ozanam Manor, last year we provided temporary shelter in one of our dining rooms due to the closing of an overflow shelter in Phoenix. Combined, we provided a total of 38,700 nights of shelter. By providing a home and a safe place to sleep, we restore the dignity and hope of individuals so that they can heal from the traumatizing effects of homelessness. We know that a house is not just a place to sleep at night. It’s a home you feel safe in and one that you can be proud of. Families should have a safe and healthy environment in which to live and flourish. Everyone deserves the chance to say, “I’m home.”

Happiness is a roof over your head  
and friends who will take you under  
their wings.

## The Prognosis is Excellent for 2016

Healing begins by knowing that someone is there for you. Our dental and medical clinic provides a safety net for working-poor individuals and families without access to quality medical and dental care. Last year, we provided more than 17,000 appointments and more than \$4.5 million worth of medical and dental care. By collaborating with local

# HEAL.

universities and volunteer dentists over the next year, our dental clinic will continue to provide children's orthodontics. By teaching families to take care of their health, we decrease the need for individuals and families to rely on emergency rooms and improve the wellness of our community as a whole.

Things are looking up as families look forward to getting healthy and staying healthy.

# THE SOCIETY OF AMAZING SUPPORT FROM FAR AND WIDE

It goes without saying that minus our Donors, Supporters, and Gift-Bearers, we would be well meaning enough but well out of business as an organization. These individuals, families, corporations, and foundations are our lifeblood. We will remain in their debt through every hour in 2016, as we have in years past and will in years to come. On behalf of all the women, men, and children whom we serve... we thank you.

## CIRCLE OF ANGELS

While not listed in the annual report, we are forever grateful to those donors who have included St. Vincent de Paul in their estate plans through a trust, bequest in their will, endowment gift, or charitable gift annuity. These special donors demonstrate the values and beliefs that they care about during their lifetimes and leave a legacy of compassion and generosity that will support St. Vincent de Paul's mission far into the future.

\*Every effort was made to ensure the accuracy of this list. If you were inadvertently left off, please notify Donna Rodgers at 602.266.GIVE.
