A CALL TO SERVE

We Are Mission Ambassadors.

SVdP Saint Vincent de Paul. Since 1946, the Society of St. Vincent de Paul - Phoenix has been dedicated to feeding, clothing, housing and healing individuals and families in our community who have nowhere else to turn for help. SVdP provides meaningful opportunities for volunteers to serve their neighbors in need with love and compassion.

WISH Women In Service and Hope. A Mission Ambassador shares, supports and advances the programs of SVdP through personal relationships, professional networks and identifying persons in the community with a heart for service and the desire to make a difference in the lives of others.

WOMEN IN SERVICE AND HOPE

WISH Women In Service and Hope. We serve SVdP as Mission Ambassadors. How we engage, build awareness and work together are our core values.

Investing In Mission WISH members make an annual financial investment of \$1,000 to SVdP. Additionally, they each raise another \$1,000 to support the mission.

Building Gifts WISH members participate in fundraising activities, including in-home gatherings, tours, virtual events, special projects and SVdP major campaigns.

Ambassador Work WISH members make a time commitment from two to four hours a month.

Philanthropic Leadership WISH members invite others into the work of SVdP. We do this by leading tours, supporting events and fundraising for SVdP.

Building Community WISH members meet new people, learn new things and connect with philanthropic leaders. Inspired conversations, fellowship and the commitment to serve are part of our process.
