## **The Mission of St. Vincent de Paul**

The Society of St. Vincent de Paul is dedicated to feeding, clothing, housing, and healing individuals and families in our community who have nowhere else to turn for help. As important, SVdP provides meaningful opportunities for volunteers to serve their neighbors in need with love and compassion.

SVdP has been serving our community throughout central and northern Arizona since 1946. Programs include:

- Services for those experiencing homelessness.
- Medical and dental care for the working poor.
- Charity dining rooms that serve thousands each day.
- Food boxes for hungry families.
- Thrift stores throughout the region.
- A bridge housing shelter.
- General assistance for individuals in need.

**St. Vincent de Paul builds community resilience through bringing together those who have something to give and those who have a need in the most personal, face-to-face way possible, making our whole community richer.**
