Ozanam Manor provides older and disabled people with a safe bridge from homelessness to permanent homes with support from staff, volunteers, community partners and peers.

Our Program:

Participants live temporarily in a safe, supportive environment with semi-private sleeping accommodations, meals, and 24 hour staff support.

Case managers help participants to obtain medical and behavioral health care, a stable income and affordable subsidized or market housing.

We provide opportunities for community volunteers, participants and staff to use their gifts in authentic and compassionate contact with those seeking to leave homelessness.

Basic Eligibility:

1. Homeless or with notice of eviction
2. One or both of the following:
 - a. Age 50 or over
 - b. Over 18 with a disability (must be able to obtain verification of disability from a medical professional)
3. Medically and psychiatrically stable, and not actively using substances

Referral Process:

1. Call 602-850-6900 Tuesdays between 8:00-10:00am for an eligibility screening and entry onto waiting list.
