INDEPENDENT AUDITORS' REPORT

Board of Directors
The Diocesan Council of the Society of
St. Vincent de Paul, Diocese of Phoenix
Phoenix, Arizona

We have audited the accompanying financial statements of The Diocesan Council of the Society of St. Vincent de Paul, Diocese of Phoenix, which comprise the statements of financial position as of September 30, 2014 and 2013, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Diocesan Council of the Society of St. Vincent de Paul, Diocese of Phoenix as of September 30, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January 19, 2015, on our consideration of The Diocesan Council of the Society of St. Vincent de Paul, Diocese of Phoenix's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the result of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering The Diocesan Council of the Society of St. Vincent de Paul, Diocese of Phoenix's internal control over financial reporting and compliance.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

The Diocesan Council of the Society of St. Vincent de Paul, Diocese of Phoenix (the Council) is a Catholic organization of Catholic and Non-Catholic laypersons operating as a not-for-profit corporation, without capital stock, throughout Central and Northern Arizona. The Council provides food to the needy, medical and dental services and direct assistance to individuals through its Transient Aid Center, Ministry to the Homeless, Ministry to the Incarcerated/Families, Dining Room Ministry, Medical/Dental Clinic, Parish Conferences, and Ozanam Manor transitional shelter, among other programs. The Council also accepts donated household and other items for distribution to the needy and for sale, primarily in its thrift stores.

The assets, liabilities, net assets, and operating results of the district councils and conferences that also serve the needy are not included in the accompanying financial statements. The district councils operate independently with separate officers, and are subject to the same rules and mission as the Council.

Basis of Presentation

The Council prepares its financial statements in accordance with the *American Institute of Certified Public Accountants Audit and Accounting Guide for Not-For-Profit Organizations* (Audit Guide) within the Financial Accounting Standards Board (FASB) Codification (Guidance). Under the Guidance, the Council provides financial statements which are prepared to focus on the Organization as a whole and to present balances and transactions according to the existence or absence of donor-restrictions in three classes of net assets; unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets as follows:

Unrestricted Net Assets

Unrestricted net assets are not subject to donor imposed stipulations.

Temporarily Restricted Net Assets

Temporarily restricted net assets are those which are subject to donor-imposed stipulations that may or will be met by the actions of the Council and/or the passage of time.

Permanently Restricted Net Assets

Permanently restricted net assets are subject to donor-imposed stipulations that they be maintained permanently by the Council. Generally, the donors of these assets permit the Council to use all or part of the income earned on related investments for general or specific purposes.

ST. VINCENT DE PAUL, DIOCESE OF PHOENIX
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2014 AND 2013**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Basis of Presentation (Continued)

Permanently Restricted Net Assets (Continued)

Revenues are reported as increases in unrestricted net assets unless use of the related assets are limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets. Gains and losses on investments and other assets are reported as increases or decreases in unrestricted net assets unless their use is restricted explicitly by donor stipulation or by law. Satisfaction of temporary restrictions on net assets, i.e., the donor stipulated purpose has been fulfilled and/or the stipulated time period has elapsed, are reported as reclassifications to unrestricted net assets.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make a number of estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Council considers all liquid investments with a maturity of three months or less when purchased to be cash equivalents.

Contributions Receivable

Contributions receivable represent unconditional promises to give that are acknowledged in writing by donating parties prior to September 30 but not transmitted to the Council until after that date. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Unconditional promises to give that are to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discounts on those amounts are computed using interest rates determined by management, applicable to the years in which the promises are received. Amortization of the discounts is included in contribution support. The carrying amount of contributions receivable is reduced by a valuation allowance that reflects management's best estimate of amounts that will not be collected. Management believes that the contributions receivable at September 30, 2014 and 2013 will be collected in full and no allowance for doubtful accounts is considered necessary.

Investments

Investments, consisting primarily of cash and cash equivalents, mutual funds, bonds and certificates of deposit, with readily determinable market values are measured at fair value as of year-end in the statements of financial position. Investment income or loss (including realized and unrealized gains and losses on investments, interest and dividends) are recognized in the statements of activities and changes in net assets.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Inventories

Inventories, consisting of donated food and retail products, are stated at their estimated sales value at the time of donation. Donated inventories increased by \$283,376 at September 30, 2014, as compared to September 30, 2013. Donated inventories increased by \$164,660 at September 30, 2013, as compared to September 30, 2012.

Beneficial Interest in Remainder Trust

The Council is the beneficiary of an irrevocable charitable remainder trust. Under the terms of the trust agreement, the Council is to receive interest payments annually over the specified terms in the trust agreement and a remainder interest in the assets at the end of the trust term. Upon the termination of the trust agreement, the remaining trust assets are distributed. The charitable remainder trust is carried at fair value.

Beneficial Interests in Assets Held in Trusts

The Council receives contributions of investment assets in which the Council retains an interest. The assets are invested and administered by unrelated trustees and community foundations, and distributions are made to the Council. These funds are primarily invested in debt and equity securities, and the Council records its interest at the fair value of the assets. Initial recognition and subsequent adjustments to the assets' carrying value are recognized as bequest and trust contributions and change in value of beneficial interest in assets held in trust, respectively. The beneficial interest trusts are classified as permanently restricted, temporarily restricted, or unrestricted support, dependent on donor-imposed purpose and time restrictions, if any.

Land, Property and Equipment

Land, property and equipment are initially recorded at cost and donated property and equipment are recorded at fair value at the date of gift. Betterments and renewals in excess of \$10,000 are capitalized. Depreciation is provided using the straight-line method over their respective useful lives, which range from 3 to 40 years.

Impairment of Long-Lived Assets

The Council reviews long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. Assets to be disposed of are reported at the lower of the carrying amount or fair value less costs to sell. Management does not believe that any impairment indicators were present as of September 30, 2014 and 2013.

Deferred Revenue

Deferred revenue represents cash advances that is subject to being returned.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Charitable Gift Annuities

The Council receives contributions of assets in exchange for a promise by the Council to pay a fixed amount for a specified period of time to the donor or to donor-designated beneficiaries. The assets are invested and administered by the Council and distributions are made to the beneficiaries under the terms of the agreement. The assets received are held in the investments of the Council and the annuity liability is a general obligation of the Council. The initial recognition and subsequent adjustments to the assets' carrying values are reported as a change in value of the charitable gift annuities on the statements of activities and changes in net assets.

Obligations under the charitable gift annuities are recorded when incurred at the present value of the anticipated distributions to be made to the donor-designated beneficiaries. Distributions are paid over the lives of the beneficiaries or a specific period. Present values are determined using appropriate discount rates and actuarially determined life expectancies. Obligations under these agreements are revalued annually at September 30 to reflect actuarial experience; the discount rate is not changed. The net revaluations, together with any remaining recorded obligations after all trust or gift obligations under terminated agreements have been satisfied, are recorded as net changes in the value of charitable gift annuities.

Temporarily Restricted Net Assets

The Council has adopted the following optional accounting policies with respect to temporarily restricted net assets:

- **Contributions with Restrictions Met in the Same Year**
Contributions received with donor-imposed or time restrictions that are met in the same year as received are reported as revenues of unrestricted net assets.
- **Release of Restrictions on Net Assets for Acquisition of Land, Property and Equipment**
Contributions of land, property and equipment without donor stipulations concerning their use are reported as revenues of unrestricted net assets. Contributions of cash or other assets to be used to acquire land, property and equipment with donor stipulations are reported as revenues of temporarily restricted net assets. The restrictions are considered to be released at the time of acquisition of such long-lived assets.

Contributions

Under the Audit Guidance, contributions, grants, and bequests including unconditional promises to give, are recognized as either temporarily or permanently restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires or is met, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restriction. Contributions of assets other than cash are recorded at their estimated fair value. Contributions of services are recognized at their fair value if the services received (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically be purchased if not provided by donation.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Government Grants

Government grants generally cover a period of one year or less and may not coincide with the Council's fiscal year. Revenue from these grants are generally recorded when the Council has incurred expenditures in compliance with specific grant restrictions.

Investment Gains and Losses

Income and net gains and losses on investments of endowment and other funds are reported as increases or decreases in restricted or temporarily restricted net assets unless the terms of the gift require otherwise or the Board of Directors of the Council appropriates for expenditure.

Income Taxes

The Council is a not-for-profit charitable organization and qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and, accordingly, no provision for federal or state corporate income taxes has been made in the accompanying financial statements. The Council qualifies for the charitable contribution deduction under Section 170 of the Internal Revenue Code and has been classified as an organization that is not a private foundation under Section 509(a).

The federal and state corporate informational tax returns of the Council are subject to examination by the Internal Revenue Service and state taxing authorities, generally for three years after they are filed.

Functional Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities and changes in net assets. Accordingly, certain costs have been allocated among the programs and supporting services benefited. The allocation methods used, aside from allocating direct costs, are based on square footage, full-time equivalents, and other appropriate methods, and are subject to a certain degree of estimation by management.

The Council in its mission, performs eight program and three support service functions.

Program Services:

Food Reclamation Center: Activities include collecting, cleaning, checking, sorting, and distributing the millions of pounds of food received each year.

Retail Operations: Activities of retail operations include operating nine retail stores throughout metropolitan Phoenix in which used clothing, furniture, and household goods are sold at bargain prices. Activities of the related warehouse processing center include collecting, cleaning, and sorting donated merchandise and distribution to the retail stores. Activities of warehouse processing also include the sale of donated items that are not suitable for sale in the retail stores. Additionally, direct assistance is provided to clients in need of clothing, furniture, and household items at no cost. Products are also provided to Council programs.

Functional Expenses (Continued)

Program Services: (Continued)

Food Services and Dining Room Ministry: Activities of food services and dining rooms include preparing, transporting to, and serving meals in the five charity dining rooms in metropolitan Phoenix, as well as preparing meals for eighteen dining locations operated by other not-for-profit groups throughout Maricopa County. Other services provided by the dining room ministry include educational programs for children and parents, on-site referrals for additional assistance, and a special program offering homeless individuals job training and structure.

Medical/Dental Clinic: Activities include providing various medical and dental services at little or no cost to the uninsured working poor. The services provided range from simple immunizations to surgeries, teeth cleaning to full mouth restoration, as well as medical and dental education.

Ozanam Manor Shelter: Activities include transitional shelter and programs for the homeless, elderly and disabled adults while they work toward improving self-sufficiency.

Special Events and Projects: Activities performed to meet the mission and purposes of the Council, but which do not fall within the other functional categories.

Conferences and Volunteers: Activities include supporting the Parish Conferences, coordinating and organizing approximately 15,000 volunteers that assist the Council in accomplishing the mission, and program related support relating to the various ministries of the Council.

Transient, Homeless, Incarcerated and Medical Equipment Ministries: Activities of the transient aid center consist of helping travelers who are stranded in Arizona with transportation, gas and food, etc. as each case warrants, so that they may reach a viable destination. Activities of the homeless ministry consist primarily of enhancing the dignity of each individual who walks through the door. Services provided include one-on-one counseling and assistance, showers, haircuts, job referrals and clothing. Activities of the incarcerated ministry include providing emotional support, financial support, and mentoring to families of the incarcerated and to newly released individuals to help them re-integrate into society. Activities of the medical equipment ministry include lending durable medical equipment, such as wheelchairs, walkers, benches, etc. free of charge to low-income, uninsured individuals.

Support Services:

Management and Administration: Activities include all costs not identifiable with a single program or fundraising activity, but are an integral part of such programs and activities and to the Council's existence. This includes expenses for the overall direction of the Council, business management, general record keeping, budgeting, and financial reporting.

NOTE 5 FAIR VALUE OF FINANCIAL INSTRUMENTS

In determining fair value, the Council uses various valuation approaches within the fair value measurement framework. Fair value measurements are determined based on the assumptions that market participants would use in pricing an asset or liability.

The fair value measurement framework establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. The framework defines levels within the hierarchy based on the reliability of inputs as follows:

Level 1 – Valuations based on unadjusted quoted prices for identical assets or liabilities in active markets;

Level 2 – Valuations based on quoted prices for similar assets or liabilities or identical assets or liabilities in less active markets, such as dealer or broker markets; and

Level 3 – Valuations derived from valuation techniques in which one or more significant inputs or significant value drivers are unobservable, such as pricing models, discounted cash flow models and similar techniques not based on market, exchange, dealer or broker-traded transactions.

A description of the valuation methodologies used for instruments measured at fair value and their classification in the valuation framework follows:

Investments

The Council's investments are held in accounts with various brokerage firms. The fair value of these investments is readily available and is based upon market value. Equity securities and government issued securities listed on a national market or exchange, are valued at the last sales price, or if there is no sale and the market is still considered active, at the last transaction price before year-end. Such securities are classified within Level 1 of the valuation hierarchy.

Beneficial Interests in Assets Held in Trust and Remainder Trust

The value of the beneficial interest agreements are recorded at the fair value of the investments which are held by third-party trustees and then adjusted for the Council's interest in the assets. These trusts are classified within Level 2 and Level 3 of the valuation hierarchy, within the fair value measurement framework.

The following table presents assets measured at fair value by classification within the fair value hierarchy as of September 30, 2014:

NOTE 7 BENEFICIAL INTERESTS IN ASSETS HELD IN TRUSTS

The Council is the sole beneficiary of the income earned on the assets of two irrevocable trusts that are held in perpetuity. Under the terms of one of the trust agreements, the trustee may also distribute principal balances, at the trustee's sole discretion, as long as the payments will be used to provide food and shelter to the needy.

The Council is a joint beneficiary of the income earned on the assets of another irrevocable trust in perpetuity. The income distributed is to be used to benefit the operations of the Council's dining rooms.

The Council has also been named the beneficiary of assets donated to and invested by the Catholic Community Foundation. The assets are invested in perpetuity, the income from which will be paid to the Council, unless the Council directs the income to be added to the principal of the endowment. The Catholic Community Foundation or the Council do not have the ability to vary from the donor's restriction.

Beneficial interests in assets held in trusts consist of the following:

	<u>2014</u>	<u>2013</u>
Sole Beneficiary of Two Irrevocable Trusts	\$ 8,358,467	\$ 8,077,958

NOTE 9 INVESTMENT IN HUMAN SERVICES CAMPUS, LLC

The Council has previously entered into an Operating Agreement and is a managing member of The Human Services Campus, LLC (the "Campus"). The Campus is a partnership of non-profit and governmental organizations providing leadership and high quality human services to those in need. Maricopa County originally held title to the entire campus, and provided funding for the construction of the facilities.

At September 30, the members of the Human Services Campus, LLC and their interests were as follows:

	<u>2014</u>	<u>2013</u>
The Society of St. Vincent de Paul	50.0%	50.0%
Central Arizona Shelter Services, Inc.	50.0%	50.0%

All members of the Campus as well as Healthcare for the Homeless as appointed by the Maricopa County Board of Supervisors and St. Joseph the Worker Jobs Services, Inc. and Northwest Organization for Voluntary Alternatives, Inc. are managers. The Council's share of operating expenses for the Campus was \$41,595 and \$40,906 during 2014 and 2013, respectively. The Council owns and operates a charity dining room as part of the campus.

NOTE 11 IN-KIND CONTRIBUTIONS

The Council receives donated food, merchandise, pharmaceuticals, and supplies from grocery stores, businesses, individual donors, the Department of Agriculture (USDA) and through community food drives. The Council also receives medical, dental, and other professional services from qualified providers. Donated food, other than that provided by the USDA, is valued based on the estimated grocery store fair value. The USDA distributions and values are determined by the USDA. Donated merchandise is for program use and is valued at estimated fair value. The goods and procedures used by the Council's Medical/Dental Clinic are valued at rates approximating fair value.

NOTE 13 RESTRICTED ASSETS AND DESIGNATED FUNDS (CONTINUED)

Interpretation of Relevant Law

The Board of Directors of the Council has interpreted the Arizona State Prudent Management of Institutional Funds Act (SPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. Consequently, the Council classifies permanently restricted net assets as:

- The original value of gifts donated to the permanent endowment.

The remaining portion of the donor-restricted endowment fund not classified as permanently restricted is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Council's Board. In accordance with SPMIFA, the Council considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

1. The duration and preservation of the fund
2. The purpose of the Council and the donor-restricted endowment fund
3. General economic conditions
4. The possible effect of inflation and deflation
5. The expected total return from income and the appreciation of investments
6. Other resources of the Council
7. The investment policies of the Council

NOTE 13 RESTRICTED ASSETS AND DESIGNATED FUNDS (CONTINUED)

Return Objectives and Risk Parameters

The Council has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. The endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results of a mix of relevant benchmarks, while assuming a moderate level of investment risk. The Council expects its endowment funds, over time, to provide returns ranging between 4% and 7% annually.

Funds with Deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or SPMIFA requires the Council to retain as a fund of perpetual duration. In accordance with generally accepted accounting principles, deficiencies of this nature are reported in unrestricted net assets. There were no such deficiencies as of September 30, 2014 and 2013.

Spending Policy

The Council has a policy of appropriating for distribution each year between 4% and 7% of its endowment fund's average fair value. An average endowment investment portfolio balance will be calculated by combining the closing balance of the previous August 31st endowment investment total with the closing balance for the previous September 30th endowment investment total.

NOTE 14 EMPLOYEE BENEFIT PLAN

The Council sponsors a defined contribution plan (Plan) under Section 401(k) of the Internal Revenue Code. The Plan covers substantially all employees who have completed one year of service. Under the Plan, employees may contribute up to 25% of their earnings on a pre-tax basis, not to exceed certain federal limitations. The Council will match 50% of the employee's contributions up to 10% of the employee's annual earnings. The Council may also make supplemental contributions under the plan. Participants are vested in their contributions and become fully vested in the Council's contributions over five years. The Council's contribution expense was \$262,824 and \$222,601, during the years ended September 30, 2014 and 2013, respectively.

NOTE 15 CONCENTRATION OF RISK

Cash and Cash Equivalents

The Council maintains all of its cash with high-credit quality financial institutions. Balances on deposit are insured by the Federal Deposit Insurance Corporation (FDIC) up to specified limits. Balances in excess of FDIC limits are uninsured. The Council, in the normal course of business, periodically maintains account balances in excess of the FDIC's insurance limits.

Donation of Goods

A majority of donated food received from grocery stores is from one provider.

NOTE 16 RELATED PARTY TRANSACTIONS

Accounts receivable of \$119,093 and \$85,982 as of September 30, 2014 and 2013, respectively, were due from other district councils.

Notes receivable of \$35,425 as of September 30, 2013, respectively, were due from other district councils.

The Council provides various means of support to various district councils. A service fee is collected from the district councils for donated food and thrift store items are sold at discounted prices to the district councils. The district councils provide the food and these items to their clients at no charge. Funding is also provided to eligible district councils. Districts councils tithe ten percent of their qualifying revenues to the Council.

NOTE 17 GOVERNMENT GRANTS

The Council participates in a number of federal and state-assisted grant and contract programs which are subject to financial and compliance audits. Accordingly, the Council's compliance with applicable grant or contract requirements may be established at some future date. The amount, if any, of expenditures or fees for units of service which may be disallowed by the granting or contracting agencies cannot be determined at this time, although Council management expects such amounts, if any, to be immaterial.
